

AUTHORISATION (IMPORT)

Hereby the ZOLLAGENTUR Tilman Draeger is authorised to fulfill import customs clearance as a direct representative (art. 18 para. 1 Union Customs Code) and based on the general terms and conditions for german expeditors (ADSp) on behalf of me / us until further notice. The representative is entitled to sign papers and to submit / receive customs applications. He can give sub-authorisation.

The customs tariff numbers will be announced in time. If not, the representative can establish fitting numbers based on the information he has got.

Import prohibitions and restrictions must be kept by the undersigned. If goods underlie import restrictions, the import permit has to be delivered on time.

The person / company mentioned below is the buyer of the goods and aware that he becomes declarant (art. 5 no. 15 Union Customs Code). He is obligated to pay all import duties including possible penalties and expenses.

Seller & buyer are not connected (art. 127 Reg. (EU) 2015/2447). In case they are, it is necessary to tell if this has influenced the price and / or if there are further terms & restrictions.

The undersigned is responsible for the completeness and correctness of his documents and informations. Any changes will be communicated immediately.

The undersigned agrees that his data is used and stored for the the arranged engagement.
